Industrial and Engineering Technology
ROV Skills Checklist

		Shop Skills					Electrical Skills					Technology Skills						ROV				Team			Competition				
Student	Safety	Measuring	Drilling	Sanding	Cutting	Gluing	Soldering	Wiring	Water Proofing	Voltage Current	Circuit Test	Report	Presentation	Spreadsheet	Schematic	ROV Basics	ROV Design	Materials	Bouyancy	Mass Density	Propulsion	Teamwork	Communication	Problem Solving	Obsticle Course	Tow	Drop	Locate	Final Report
1. Student A																													
2. Student B																													
3. Student C																													
4. Student D																													
5. Student E																													
6. Student F																													
7. Student G																													
8. Student H																													
9. Student I																													
10. Student J																													
11. Student K																													
12. Student L																													
13. Student M																													
14. Student N																													
15. Student O																													
16. Student P																													
17. Student Q																													
18. Student R																													
19. Student S																													
20. Student T																													
21. Student U																													
22. Student V																													
23. Student W																													
24. Student X																													
25. Student Y																													
26. Student Z
