Homework for Math 261

Beginning Algebra

Last Homework Assignment

Guidelines:

1. Do your homework as soon after class as possible.
2. Make sure your homework is organized and neat. Show all steps necessary to complete the assigned problems..
3. Don't skip any sections. You will not understand subsequent sections, and your grade will suffer.
4. Circle the problems you don't understand, and get help!
5. **SHOW YOUR WORK!** You will not receive homework credit for showing just the answers!
