

# • *Intermediate Algebra (Math 263) Online* *Summer 2010 Course Calendar*

The schedule below is designed to keep you on track with this course. Please note each week's due dates for the homework sets (at 11:59 pm). If you are unable to complete your homework by the closing date, please contact me to arrange for a 24 hour extension by the next morning. If this is not done, you will receive a grade of 0 for the unfinished homework

**Dates** for all on campus exams are posted on this calendar. If you have a scheduling conflict, please contact me several days before the exam to arrange an alternate testing time. On campus exams will be held in PS-103 on the scheduled dates from 6 - 8 pm.

**End of Chapter quizzes** should be taken on the dates assigned to keep on schedule. Each quiz can be taken up to 3 times, with only your high score counting. The final day to take the chapter quiz is on the day of that chapter's unit test.

**I encourage you to work ahead of this schedule if possible... just don't get behind**
