9:50 AM-10:00 AM	BREAK			
10:00 AM-11:00 AM	Keynote Address: "MPC's Perilous Adventure" <i>Diane Boynton</i> LF 103 With so many challenges at hand, MPC is experiencing a perilous adventure. How might we face this adventure together? Can we improve our financial situation? Will we be ready to face revised accreditation standards? Are we prepared to implement Student Success regulations? Diane Boynton will provide guiding principles to encourage campus members to demonstrate courage, participate in decision-making, and keep a sense of perspective and goodwill as the college undergoes change... and more change.			
11:10 AM-12:00 PM	Instruction	Technology	Art and Wellness	General
	PERS Talk! <i>Alethea Desoto, Kimberly Mansfield & Mike Torres</i> BMC 204 Ever wonder what MPC does to encourage appropriate study, college, career and life skills to support the success of its students? Explore our PERS courses and learn the benefits each has to offer: <ul style="list-style-type: none"> PERS 10: Orientation to College PERS 50: Making College Count PERS 71: Career Choice 	Tips and Tricks <i>Kim Panis & Linda Sasaki</i> BMC 206 Would you be interested in discovering those little treasures that could make your life in front of a computer more efficient and less annoying? In this workshop you will learn those little nuggets of gold disguised as "tips and tricks."	Taking Control of Your Wellness <i>Kim Shirley</i> LS 102 Empower yourself as we self-reflect on our wellness and learn how to create positive change in our lives. In this interactive session, you'll be walking away with a new goal, a plan, and strategies for a healthier you.	From Frenemy to BFF, Making Data Work for You! <i>Rosaleen Ryan & SLOs Committee</i> PS 106 A plethora of quantitative accountability demands (e.g. the scorecard) surround us. Threats of completion-based funding continue to loom. ASCCC President M. Pilati says community colleges operate in an "environment that is effectively encouraging a diminishment of quality while asking for a product of demonstrable value". How can we be proactive in this reactive world? This session aims to describe ways that MPC can effectively use data to strengthen our case when demonstrating what MPC students learn and how well they learn it.
	Using the MPC Online Gradebook <i>MPC Online Team</i> LTC 203/204 MPC Online has upgraded w/some new features in the gradebook! We will demo improvements and show you how to set up and manage your gradebook in the new Moodle. Come see how the changes can help you, whether you're teaching online or face-to-face.		BART <i>BART Committee</i> LTC 120 MPC's BART (Behavioral Assessment Resource Team) will address student behavior issues both inside and outside the classroom.
