8:00 am **BREAKFAST**
SAM KARAS ROOM

9:00 am **KEYNOTE ADDRESS: ACCESS AND SUCCESS TRENDS IN THE CCC'S**
LF 103

Vice Chancellor Patrick Perry talks about data that looks at the access and success cycles in the CCC system, with some surprising and some not so surprising results. Opportunities exist for exploration even in the current environment.

For over ten years, Vice Chancellor Patrick Perry has served the System Office and the California Community College system in managing and administering Technology, Research, and Information Systems programs. Vice Chancellor Perry has supported a variety of system initiatives, including the investigation of student demography, progress, transfer movement, and wage outcomes; and the implementation of the Accountability Reporting for the California Community Colleges (ARCC) report. He was recently recognized by the Leadership in Management of information Technology as one of the 2008 Best of California awardees.

10:00 am **BREAK**

10:15 am **PUTTING MPC ON THE MAP**

John Doughty, AMBAG Executive Director; Jane Parker, Monterey County Supervisor; Deidre Sullivan, Richard Kezirian, Grace Anongchanya

LF 103

A panel discussion on what it means to be a community college on the Monterey Peninsula. How should MPC respond to changing times? How can MPC best prepare students for the future? How do the traditional community college roles of general education, transfer preparation, and career and technical education mesh with new trends such as economic development, institutional partnerships, and workforce development? What might all of these things look like and how might they all fit together in forward-looking community college?
