

SPRING 2012 Flex Day
Wednesday, January 25th, 2012

8:00 AM	Continental Breakfast <i>Breakfast hosted by the MPC Foundation and coffee hosted by Sandy Im from the Peninsula Café.</i> Sam Karas room		
8:30 AM – 10:00 AM	Presidents' Address <ul style="list-style-type: none"> - Dr. Alfred Hochstaedter (Academic Senate), Mark Clements (MPCTA), Loran Walsh (MPCEA), Quincy Venter (ASMPC), and Robin Venuti (Foundation) - Diane Boynton (Program Reflections) - Dr. Doug Garrison (MPC President) <i>LF 103</i>		
10:00 AM – 10:10 AM	Break		
10:10 AM – 11:10 AM	Diversity, Inclusivity, and Civility: Creating <i>Unum</i> from the <i>Pluribus</i>....One from the Many <i>Thomas Brown</i> <i>LF 103</i> In order to achieve its mission and goals, a community college must be a place where individuals from diverse background are welcomed, respected and valued for who they are, in order to do their very best work. This keynote will address the many forms of diversity that must be considered and included, as we move toward achieving the kind of nation envisioned by the Founders as they chose the words <i>E Pluribus Unum</i> (Out of many, one), to express the vision of creating one nation from many diverse peoples and communities.		
11:20 AM – 12: 20 PM	PASS (Partnering for Academic Success):A Look at MPC's First Basic Skills Learning Community <i>Jacque Evans, Jamie Gerard, and Kim Shirley</i> <i>LF 102</i> Come learn about PASS and its evolution as a program at MPC. We will have a student and instructor panel who will share their experiences with the program. Our talk will also focus on describing our practices, discussing our results, and reviewing the exciting potential of learning communities at MPC and beyond.	Supporting the Achievement and Success of Diverse Students <i>Thomas Brown</i> <i>LF 103</i> This session will identify the characteristics, challenges and strengths of students from diverse backgrounds, whose experiences often put them at greater risk for not achieving their full potential and/or for leaving college.	Follow Your True Colors to the Work You Love!! Part 1 <i>Christine Vincent</i> <i>LTC 203/204</i> True Colors, based on the Myers-Briggs personality types , can help you discover your true talents, create a positive self-image, overcome fears that block success, maximize your unique strengths and put soul into the work that you do. *You must participate in both Part 1 and 2
12:15 PM – 1:15 PM	Lunch Lunch will not be provided		
1:30 PM – 2:20 PM	Collaboration for Success <i>MPC TRiO Student Support Services (SSS)</i> <i>LF 102</i> This workshop will describe the partnership between TRiO SSS program and the MPC basketball programs to provide services/resources to help further the success of these men and women as students, athletes and citizens.	Financial Planning <i>Doug Roesser</i> <i>LF 103</i> Learn what Financial Planning is and how it can help you. Understand what actions you can take today to get your financial house in order. We can't control the economy or markets, but we can be pro-active and make the most of what we already have.	Follow Your True Colors to the Work You Love!! Part 2 <i>Christine Vincent</i> <i>LTC 203/204</i> True Colors, based on the Myers-Briggs personality types , can help you discover your true talents, create a positive self-image, overcome fears that block success, maximize your unique strengths and put soul into the work that you do. *You must participate in both Part 1 and 2

SPRING 2012 Flex Day
Wednesday, January 25th, 2012

2:30 PM – 4:20 PM	<p>Program Reflections - All Divisions and Departments</p> <p>An opportunity for you to engage in dialog with colleagues about student learning in your programs. The results of this dialog are to be recorded in the “Program Reflections” portion of the annual update to the program reviews in Academic Affairs. These conversations can be integrated into the annual updates of the Student Services program review as well. Please forward copies to the VP of Academic Affairs.</p>
